13. Staging Guide:

    Safe Space Staging for Kids provides a guide that can be used alongside the staging for parents or caregivers, if they choose to. Please note that using the guide is optional, and you can still benefit from the staging experience without it. Our role in the setup includes providing the guide. Anything beyond that, which involves additional guidance or support, may entail an additional charge. It's important to emphasize that our primary role is staging, and we do not provide therapeutic services of any kind.

14. Responsibility for Damages:

    The requesting organization is responsible for any damages to the staging equipment during the collaboration. Safe Space Staging for Kids will provide guidance on proper use and care of the staging, but any costs related to repairs or replacements will be the responsibility of the requesting organization.
